

*Proudly serving our  
Sunshine Coast  
Community since 1963.*

13<sup>th</sup> May 2010.

**To Whom It May Concern.**

*Sundale Garden Village has been dealing with Dimond Architects Pty Ltd for over 10 years. We operate a range of residential aged care and retirement villages on the Sunshine Coast as well as a childcare centre at Kilcoy in Queensland.*

*During our time with Dimond Architects, and particularly through our relationship with its Principal, Ian Dimond, we have established a very positive and productive mutual understanding of clearly defining requirements and establishing mechanisms to ensure they are delivered. Ian has shown an approach that is open and focused on helping us to achieve our objectives.*

*Whether that has been in relation to an upgrade, a redevelopment or indeed a Greenfields site Ian has worked through our ideas and aspirations methodically to first understand what we are trying to achieve, and then presenting concepts on how we might get there. Unlike our experience with other Architectural firms, Dimond Architects are less focused on awards or monuments to themselves, and more focused on customer requirements. For Dimond Architects the awards come from the project well done and completed, and very satisfied customers, of which we are one.*

*If you are seeking an Architect who is intent on your interests, for us you could not go past Ian Dimond and his team.*

*Sincerely Yours,*  
**Sundale Garden Village, Nambour**

Glenn Bunney  
Chief Executive Officer
